

Installation of a VirtualBox Image (Ubuntu)

Mainly for Windows users, also works for Mac and Linux

<https://www.cadmo.ethz.ch/education/lectures/HS20/algolab/technical.html>

Download the virtualbox image (~3.8GB) from

<https://www.cadmo.ethz.ch/education/lectures/HS20/algolab/algolab64.ova>

Download VirtualBox from <https://www.virtualbox.org/wiki/Downloads>

Make sure there is enough space ($\geq 10\text{GB}$) in your disk

Note that this image is not the same as the exam environment!

The username and password for ubuntu are both *algolab*
